

Why Tell Me Why - Anita Meyer

When I was young I felt the need of learnin', learnin'
Love I was told kept the wheel on turnin', turnin'
Still I'm tryin' to find, peace of mine inside
Once in your life you feel the urge of knowin', knowin'
and wonderin' why ...

Come on people, let us use our sense
Our time is running out, there ain't no doubt about
We can make it, try to rearrange it
If there's a price we got to toss the dice

Oooh,(won't you tell me what's right)
Ooh Yeah, (won't you tell me what's wrong)
Ooh won't you tell me what's right. Somebody tell me now
Believe in Destiny, Believe in Humanity, Believin', yeah, we'll meet again
Somehow, Somewhere, Someday.(this feeling, this mess will never end)

Why tell me, Why, tell me why, tell me why do I pray
I need to know right now oooh.
Why tell me, Why, tell me why, tell me why do I pray
I hope that freedom soon will come our way
(Why tell me, why tell me, why tell me)
(Why tell me, why tell me, why tell me)

Come on people, lent a helpin' hand, no need to fuss
and fight we all know where we stand
Help me make it, try to rearrange it
Name your price and I will toss the dice

Oooh, (won't you tell me what's right)
Ooh Yeah, (won't you tell me what's wrong)
Ooh won't you tell me what's right. Somebody tell me now
Believe in Destiny, Believe in Humanity, Believe in we'll meet again
Somehow, Somewhere, Someday (this feeling, this mess will never end)

Why tell me, why tell me, why tell me why do I pray
I need to know right now oooh.
Why tell me, why tell me, why tell me why do I pray
I hope that freedom soon will come our way
Why tell me, why tell me, why tell me why do I pray
I need a key to help me any way.
Why tell me, why tell me, why tell me why do I pray
Somebody tell me know
Why tell me, why tell me, why tell me why do I pray
